Words From Your CD

Shirley Morris, Chapter Director

Hope everyone is doing well, I know these are difficult times for all of us. But, please hang in there and hopefully we will get through this soon.

April gathering and rides are not looking good for now. But if anything changes, I will let everyone know.

If you hear of any members being sick or needing help, please let us know. We will try to do what we can to help. Since we are not having our gathering or any rides, the only way I have of knowing anything is by phone calls or emails. So don't hesitate to drop a line or give a call to me.

I had a friend from the church that I had known for years to pass away from the coronavirus just a few days ago. They can only have 10 people at the service, so sad... He had so many friends and family. We are all at risk every day, especially those of us who have underlying health issues. So, please take care of yourself and please practice social distancing.

But, while you are sitting around home be think about some rides you would like to go on. Jot them down and we can discuss them when we get back to normal. There will be a lot of catching up to do.

HOPE WE REMEMBER HOW TO RIDE!!!!!!

Hope to see everyone soon...

Shirley

On the Lighter Side

DOCTOR VISIT

I went to my doctor yesterday.

After a long wait in the outer office, my name was finally called.

When I got into the examining room, the nurse pointed to the scale and said, "I need to get your weight today".

I immediately replied, "One hour and 5 minutes."

"DANGER! DO NOT TOUCH!"

Our supply clerk at the factory was in a dither. A box had been left on the loading dock with this warning printed on it:

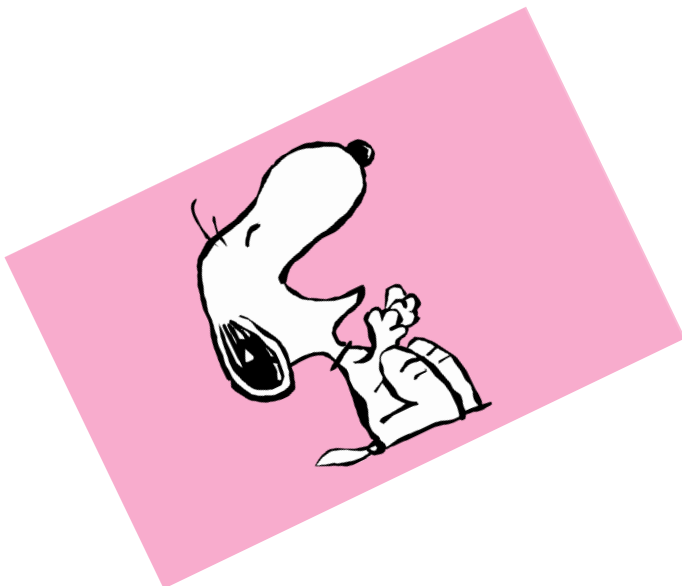

"Danger! Do Not Touch!"

Management was called, and we were told to stay clear of the box until it could be analyzed.

When the foreman arrived, he donned safety goggles and gloves, and then he carefully opened the box.

Inside were 25 signs that read.....yep, you guessed it.....

"Danger! Do Not Touch!"
