## Director's Comments

Hi B2,

Here we are already into April, this year is moving fast. We have not had the weather in our corner for some of our events.

We did get to have our second MAP after our March gathering and our lunch social At Ruby's Tuesday.

We were going to have our first ride on April 1 but April played its first joke on us by having the weather turn so cold that we had to reschedule it. The first date that we were going to move it to will not work because the weather is going to be bad again.

We still have some other events for April. I will be looking forward to seeing you.

Randy

# Motorist Awareness Program

03/27/21

We had our second MAP after our gathering in March. We had a big turn out. Most everyone that was at the gathering stayed for it.

Everyone got to socialize with each other and had a great time handing out MAP brochures. No one could keep up with miss Shirley though. She was chasing people down left and right. She even did a cartwheel in front of a truck to get them to stop. I guess those new knees are working great for her. We are planning more MAP's after some of our events so everyone will have a chance to go to one.

Randy

## Lunch Social At Ruby Tuesday's

We had our first lunch social at Ruby Tuesday's on Tuesday and had nine people turn out for it. The food was great the price even better and wonderful friends made for a good time.

We are going to do this lunch social every fourth Tuesday of the month. So. if you didn't get to make this one put it on you calendar.

We will be looking forward to seeing you there.

Randy

## On The Lighter Side

### Mr. Jingles

I know the story that I am going to tell you has nothing to do with GWRRA. But I thought you might like it.

Most of you know that Becky and I have horses and go to horse shows. Saturday April 3rd we were in Alabama attending a horse show and they had a special treat for us.

They had the Circus Mouse star Mr. JINGLES from the movie the green mile there to perform for us. He came out about halfway through the show and started performing for everyone to see. He performed outside of the ring for about one hour and then he moved to the inside of the ring. He performed there for about two hours. He was amazing! Doing all kinds of tricks under the horse's feet. Then he moved back outside of the ring and preformed for the crowd for another hour.

It was a great show. We are hoping that Mr. Jingles will be there performing when we go back. Randy

**VISITED WITH  
22  
PEOPLE**

We were originally going to Daddy's Country Kitchen on Saturday, but Friday we found out they were closed. So we rode the ride again, found a new place to ride to, talked to the manager and had a kind of brand new ride. We all sat together outside, had a good visit, then rode out to the Pizza Farm to check on the rebuild status since it burned down, then rode back to Dallas. All in all it was a real good day to get together and got about a 75 mile ride in to boot.

## Chapter "B-2" visits Chapter "L" at Their Gathering

Well, we went back to the Sam's Burger Deli. This time we were visiting Chapter "L" at their Monthly Gathering. The Gathering turned out pretty good, with the District MAP and our group there the room was full. With the flying VW Bus and the 2 Airplanes they have are very impressive, but nothing compared to the Veterans photographs on the wall inside, it's really something to see.

Chapter "L" has a game going on called "City Search". The instructions say take "City Limit Sign" pictures, then turn them in at there June 22 Gathering either printed or on your phone...see Dawn for the rules, it looks like a lot of good riding.
