Randy Siniard, Chapter Director

Director's Comments

Hey everyone! I hope that you are all doing good. The chapter has been in a holding pattern due to the virus but, with the vaccinations starting to be more available to everyone, I am hoping we can start to get up and running again.

Here are some of the things that we have been working on. We have secured Paulding county's chamber of commerce building for this year. Right now, we are working with the District on setting up dates for a CPR class, a bike & trike trailering class and setting up our December party.

We have a few other dates open there so if anyone has anything that they would like to have a class on please get in touch with me so I can get with the District to get it set up.

I would like for the group to send me rides, dinner socials, and get togethers that you would be interested in us doing. I am looking forward to seeing everyone and having some fun times.

Randy

Recipe of the Month

Bacon Bouquets

Making this edible arrangement for Valentine's Day should not be too difficult, even for beginning crafters.

You'll need:

Strips of thick cut bacon

Maple syrup or honey

Toothpicks

Fake flower stems

Using pastry brush, coat top side of bacon with syrup or honey.

Tightly roll the bacon one piece at a time.

Stick toothpicks through the middle to create an "X" that will help your rose stand upright while baking.

Then, once all your roses are rolled, cover a baking sheet with foil, and [bake that bacon](#) to perfection.

You want the bacon to be cooked all the way through and the outside edges crisp.

Once they're cool, remove the toothpicks, secure each rosebud to a stem and present to your special someone.

--------------------	-------

Well, Sunday, January 9, 2021, the Pizza Farm caught fire and was burned to the ground. It looks like everything was totally destroyed except the sign out front and the outhouse. I know everybody that went on any Pizza Farm ride, weather on bike or in a car, had a real good time without us having been asked to leave or anything.

It is with great regret that I have to be the one to tell you that it is gone, but, they tell me that they are going to build it back, and hopefully we can have some more great rides there.

The flurries put us in cars, well, except for Skip. He started saying something about us being a "Motorcycle riding group" ... "being in cars" ... then he was talked into riding in the car, you know, for safety. The flurries picked up by the time we got to the Burger deli, but had disappeared by the time we left.

It's an easy place to find, on Hwy 27 north of Rome, GA. There is a flying VW Bus out front, and an airplane coming out of the front and one on the side for future "Airplane Dining".

The Burger Deli is a really unique place, with pictures of Veterans on most of the walls. Sam will take your picture, and has a system for locating a photo by a name, using an assigned number they can tell you where it is. Then you go and find your Veteran.

All of the menu items I've heard everybody get have been really good. We got an appetizer of Onion Rings, they were out of this world.

So, summing it all up, we had a real nice "non-motorcycle" ride, and a really great meal. We also got a surprise visit from Dawn and Murry Cail from Chapter "L".
