Rider's Ed Database

From Murry Cail

I have had some calls from members wanting to check the Education Database to see when they need to take a course in order to keep up their Levels. Here is how you can check your status:

- Go to GWRRR.org
- Hover over "Officers" in the blue menu bar near the top of the page
- Click on "Rider Education" from the drop down menu
- Click on "My R.E. Information" in the left column
- Enter your username (Your username is your membership number. i.e, 123456 or 123456-01)
- Enter your password (Your password is the numbers in your street address—NOT ZIP CODE— and your membership expiration date—MMYY. i.e., 12 W. 6th Street, Anywhere, GA 30000 would be entered as just 12 followed by your membership expiration date. If your membership expiration date is Jan. 2021 you would enter it as 0121. This entire password would be 120121. You can check the front of your Wing World magazine or your membership card for the membership number and expiration date.)

If you are still having trouble finding your rider education information, give me a call and I will be happy to help you.

Ride to Mac's BBQ

The day started out foggy and cold, 39 degrees to be exact. However, the weather didn't deter the 6 riders who were determined to make the day a good time by riding to Warm Springs, Georgia to enjoy the food at Mac's BBQ (Mac & Deborah Strickland, Woody & Carol Whitlock, Dean & Candace Watts). They left the Kroger at the corner of Highway 61 & 278 at 10:00 am. They rode down Highway 61 and turned onto Dallas Nebo Rd, then wound their way through Douglasville to get on to Highway 5 to Whitesburg. Traffic was relatively light as the group road the back roads to Warm Springs.

The sun burned off the fog and the temperature began to climb making the day a great day for a ride. After enjoying the food at Mac's BBQ the group decided to walk around town. They ended up in the little fudge shop on the main street. After enjoying the fantastic desserts offered in the shop the group decided to head back home. The ride home was one of the best rides I have been on in quite a while.

The temperature continued to climb to 69 degrees making the day a comfortable day and the traffic remained light allowing them to have a beautiful relaxing ride back home. Just goes to show you that you can't plan your life based on the weatherman!
