Words From Your CD

Randy Siniard, Chapter Director

I hope everyone had a safe and fun holiday.

Becky and I stayed home and celebrated. We didn't want to get out on the road with all the traffic. I think that everyone around us must have been setting off fireworks because it sounded like a war zone. It was so bad we now have a cow in our horse pasture. If the cow sees one of us it runs away and hides which is probably a good thing because it has horns that make it look like a longhorn. We have talked to all the cattle farmers around us and no one is missing a cow.

There are only a few things planned this month because of the heat and people going on vacations.

I hope everyone has a safe and good July.

A Benefit Ride for a good friend of mine's future son in law, who was in motorcycle accident, the back story below;
The ride will be in Carrollton

My daughter [Stormy Thompson](#)'s fiancé [Todd Riley](#) (who were to be married this September) had a horrible motorcycle accident 6 weeks ago...

He was thrown from his bike into oncoming traffic and was hit and ran over by a vehicle. He has a shoulder fracture, spine fractures, broken ankle, kidneys aren't functioning, his pancreas has some damage and a fistula on his intestines. He's overcome some obstacles over this last 6 weeks and is so lucky to be alive but, He still has a very long way to go. This fundraiser will help him them so much.

We were told Tuesday he will be in ICU at least 4 more weeks before he ever makes it to a room, then he will have to go to rehab and stay but not sure how long.

This future son in love of mine has the fight of a tiger!!!! Some days he takes 2 steps forward and some days he takes a step back. But, that's to be expected according to the doctors.

If you all can please share this and please continue to pray for this awesome son in love of mine 🙏❤️🙏🙏🙏

On the Lighter Side

A Farm Kid Joins the Marines

Dear Ma and Pa,

I am well. Hope you are. Tell Brother Walt and Brother Elmer [the Marine Corps](#) beats working for old man Minch by a mile. Tell them to join up quick before all of the places are filled. I was restless at first because you get to stay in bed till nearly 5am. But I am getting used to it so I like to sleep late.

Tell Walt and Elmer all you do before breakfast is smooth your cot, and shine some things. No hogs to slop, feed to pitch, mash to mix, wood to split, or fire to lay. Practically nothing. Men got to shave but it is not too bad, there's warm water.

Breakfast is strong on trimmings like fruit juice, cereal, eggs, bacon etc. But kind of weak on chops, potatoes, ham, steak, fried eggplant, pie and other regular food.

But tell Walt and Elmer you can always sit by the two city boys that live on coffee. Their food, plus yours, holds you until noon when you get fed again. It's no wonder these city boys can't walk much.

We go on "route marches", which the platoon sergeant says are long walks to harden us.

If he thinks so, it's not my place to tell him different. A "route march" is about as far as to our mailbox at home.

Then the city guys get sore feet and we all ride back in trucks. The sergeant is like a school teacher. He nags a lot. The captain is like the school board. Majors and colonels just ride around and frown. They don't bother you none.

The next will kill Walt and Elmer with laughing. I keep getting medals for shooting and I don't know why. The bullseye is near as big as a chipmunk head and don't move and it ain't shooting at you like the Higgett boys at home.

All you got to do is lie there all comfortable, and hit it. You don't even load your own cartridges. They come in boxes.

Then we have what they call hand-to-hand combat training. You get to wrestle with them city boys. I have to be real careful though, they break real easy. It ain't like fighting with that ol' bull at home.

I'm about the best they got in this except for that Tug Jordan from over in Silver Lake. I only beat him once. He joined up the same time as me, but I'm only 5'6" and 130 pounds and he's 6'8" and near 300 pounds dry. Be sure to tell Walt and Elmer to hurry and join, before the other fellers get onto this setup and come stampeding in.

Your loving daughter,

Alice
