Words From Your CD

Randy Siniard, Chapter Director

Hi everyone,

I hope everyone is doing well. We had a Dinner social at Phat Phil's on June 3 and had a good turn out. We were going to have a MAP after we ate dinner but the weather said. "no".

There is not a lot planned for June because of people going on vacation and the heat.

The Trailing class scheduled for June 12th has been canceled because of people being out of town. We will reschedule for a later time.

We have our gathering on June 26th and our lunch social at Ruby Tuesday on the 29.

Stay safe.

Ride, eat, "MAP", what else is there? Well as it turns out, there's a lot more, a whole lot more. One person came by then had to go to an appointment, one had a meeting, another had to go to work, everybody has something, and as it turns out some of us get to go ride sometimes.

Our "MAP" turned out to be number 4 for this season. Each member only needs 5 "MAPs" for the award, but we have to have more than just five so everyone can have a chance to get them as they need them.

Again, we had motorcycles in the parking lot. 13 B-2 members showed up for the \$5.00 lunch, and some of the members are trying to get Ruby Tuesday's to put "the lunch bar" on the menu, maybe it will happen, we'll see. Good food, good friends and a good time. After the lunch we had a "MAP" (Motorist Awareness Program) out front. This counted as number 5 for B-2, I think we contacted 19 people, handed out literature and Life Savers.

On the Lighter Side

A college professor got up and said, "If God exists, then let him knock me out of my chair." Nothing Happened!! The class was quiet. He said, "Now I will give it 2 more minutes."

A Marine vet stood up, punched him in the face knocking him out and off his chair, then sat back down.

As the professor came to, he looked at his student and said, "Why did you do that?"

The Marine said, God was busy protecting my buddies still fighting for your right to say and do stupid stuff like this, so He sent me!
