District Officer's Conference

Shirley Morris, Chapter Director

We had a great time at the conference in Perry Ga. this past Saturday.

B2 came home with the plaque from last year and the CHILLY WILLY a little penguin awarded to the chapter having the most members in attendance. But, not to brag, we have won Chilly Willy for the past 3 yrs. "WAY TO GO B2"

Please consider attending next year. It is for everybody, not just officers, and you can get a lot of good information.

So. thanks again Chapter B2 members for making B2 a great Chapter.

Keep up the good work!!!!!!!

Shirley

B2 brought home the plaque from last year, plus \$100.00 for having it the most times, also we brought back the penguin (Chilly Willy) for having the most in attendance at the officers conference.

Third year in a roll.

WAY TO GO B2!!!°

It's All About Attitude

Author Unknown

I woke up early today, excited over all I get to do before the clock strikes midnight. I have responsibilities to fulfill today. I am important. My job is to choose what kind of day I am going to have.

Today, I can complain because the weather is rainy or... I can be thankful the grass is getting watered for free. Today, I can feel sad that I don't have more money or.... I can be glad my finances encourage me to plan my purchases wisely and guide me away from waste. Today, I can grumble about my health or... I can rejoice that I am alive.

Today I can lament over all my parents didn't give me when I was growing up or... I can feel grateful they allowed me to be born. Today, I can cry because roses have thorns or... I can celebrate that thorns have roses. Today, I can mourn by lack of friends or.... I can excitedly embark upon a quest to discover new relationships.

Today, I can whine because I must go to work or... I can shout for joy because I have a job to do. Today, I can complain because I have to attend school or... I can eagerly open my mind and fill it with rich new tidbits of knowledge.

Today I can murmur dejectedly because I have housework to do or.... I can feel honored because he has provided shelter for my mind, body and soul. I get to play a big part into what kind of day I will have!!

Manufacturers Speak Out About Declining Bike Sales (Author Unknown)

The slump in sales of big bike cruisers is not President Trump's fault. The Baby Boomers all have motorcycles, Generation X is only buying a few, and the Millennials aren't buying any at all. A recent study was done to find out why Millennials don't ride motorcycles.

1. Pants won't pull up far enough for them to straddle the seat.
2. Can't get their phone to their ear with a helmet on.
3. Can't use two hands to eat while driving.
4. Don't get a trophy and a recognition plaque just for buying one.
5. Don't have enough muscle to hold the bike up when stopped.
6. Might have a bug hit them in the face and then they would need emergency care.
7. Motorcycles don't have air conditioning.
8. Can't afford one because they spend 12 years in college trying to get a degree in Humanities/
Social Studies or Gender Studies, for which no jobs are available.
9. Allergic to fresh air.
10. Pajamas get caught on the exhaust pipes.
11. Might get their hands dirty checking the oil.
12. Handlebars have buttons and levers, and can't be controlled by touch-screen.
13. Have to shift manually, and use something called a clutch.
14. Too dangerous to take selfless while riding.
15. Don't come with training wheels as their bicycles did.
16. Don't have power steering or power brakes.
17. Nose ring interferes with the face shield.
18. Would have to use leg muscle to back up.
19. When stopped, a light breeze might blow exhaust in their face.
20. Could rain on them and expose them to non-soft water.
21. Might scare their emotional support dog, then the dog would need therapy.
22. Can't get the motorcycle down the basement stairs of their parent's home.
