Words From Your CD

Randy Siniard, Chapter Director

Hi everyone,

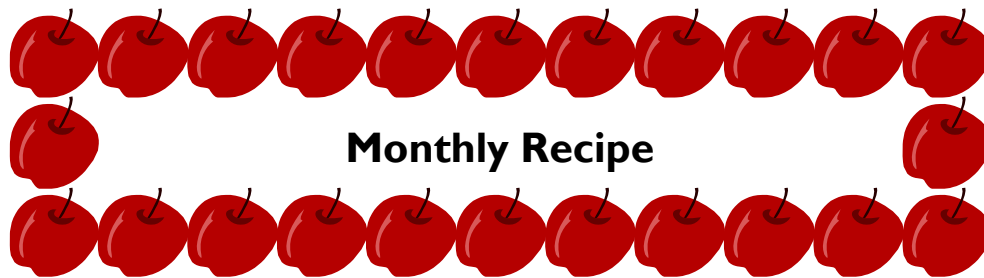

Here we are in November, and I hope everyone is doing well. We have had some of our members have health problems and we are happy they are doing a lot better. I want to thank everyone for keeping them in your prayers and thoughts.

We had a few activities in October. Becky and I were able to make some of them. We enjoyed the ride to the North Georgia Mountains, our Ruby's Tuesday social, Warm Springs ride, Georgia Junkies 41 ride, Breakfast at Reveille, ride to the mountains for BBQ. and our gathering.

We are looking forward to November being as much fun. Remember that our gathering is a week earlier because of Thanksgiving. It will be November 20 same time and place. Looking forward to seeing you stay safe.

Randy and Becky

Monthly Recipe

Holiday cookie time!

As promised, here are the recipes for the cookies we have shared the past two months:

Hot Chocolate Cookies

Yields: 4 dozen

Ingredients

6 oz. Semi Sweet Chips	2 1/4 c. all-purpose flour
3 envelopes hot cocoa mix	1 tsp. instant espresso powder
1 tsp. baking powder	1/2 tsp. baking soda
1/4 tsp. kosher salt	2 sticks salted butter
1 3/4 c. sugar	2 large eggs
2 tsp. vanilla extract	1 1/2 c. white chocolate chips
24 marshmallows, halved crosswise with kitchen shears	

Directions

Preheat the oven to 350°.

Melt chopped chocolate in a heatproof bowl in microwave.

Let melt, 2 minutes, then stir then repeat until smooth.

Remove the bowl from microwave and let cool slightly.

Combine flour, hot cocoa mix, espresso powder, baking powder, baking soda and salt.

Whisk to get rid of any lumps.

Beat butter and sugar on medium-high, 2 to 3 minutes.

Add the eggs, one at a time, and beat until combined.

Beat in the vanilla.

With the mixer on low speed, gradually add the melted chocolate.

Increase speed to medium high and beat until smooth and light, 1 minute. With mixer on low, add flour mix and beat until combined, 30-60 seconds. Stir in the white chocolate chips.

Cover dough and refrigerate until it begins to firm up, about 30 minutes.

Scoop dough into 1 TBSP balls and place on baking sheets 2 inches apart. Bake until edges just begin to set, 9 to 10 minutes.

Remove from oven and place marshmallow half on each cookie.

Continue baking 2 to 3 minutes more.

Let cool 5 minutes on pans; remove to racks to cool completely.

Spread the sprinkles in a shallow bowl.

Scoop and roll the dough into 2 TBSP balls.

Then roll the balls in the sprinkles.

Place on the baking sheets, about 2 inches apart.

We had a for real Apple Ride to North Georgia. Our first stop was to the Trike Shop in Jasper, with a little shopping, a little wishing, and then on to the next stop. We got to the first apple store just in time, because it seemed to get busy after we got there. We had fried pies, apple fritters and Apples of all kinds. Our next stop was for Apples and lunch, and let me tell you what, mine was too much to eat.

Some of the members on the ride had a "Farm Passport 2021" to get stamped. But, we will go into that another time.

The ride home was perfect, through Waleska, Cartersville, Emerson and home. We had a guest with us who had to ride all the way back to Conyers, Georgia, and I hope he had a good ride as well.

Nice weather, nice friends, nice ride.

Never ask "How bad could it be". We did all the right stuff, scheduling, planing, calling the eating place... wait I'm getting ahead of myself. When we started out the weather was a little foggy, then it became real nice. We rode 411 up to Tennessee then East on 64/74 along the Ocoee River, which was oh, so, beautiful! After getting into North Carolina we rode to Herb's BBQ, but they we closed due to medical reasons. What ever the reason we had to go to plan "B", or plan "B-2" so we headed on down the road to Murphy, North Carolina to "Rib Country", not what we had planned on, but a good plan "B-2", after all. Then a nice ride home through Elizay on Hwy 52 to Chatsworth and back down 411 to home. 295 miles for the day!

Nice weather, nice friends, nice ride.

...what's neater than seeing 99999 (something you only see once) on your odometer?

Seeing it roll over to 100000 the first time!

We started out real foggy, waiting up until leaving time, both for more riders, and for the fog to lift. Well, our ride got moved up an hour (later), so we didn't make the Warm Springs Parade, but, we kind of made our own "Parade", sitting in traffic for the 45 min. it took the Parade to finish. Finally, we were able to get into Mac's BBQ for some lunch.

We took off South to Hwy 190 for a nice ride across to Pine Mountain. Usually the leaves have already changed color, but, they were still green in North Carolina. We rode Hwy. 27 North toward Buchanan, Ga and stopped in at "butter'dutter" in Bremen for some Ice Cream, then back to Dallas.

Nice weather, nice friends, nice ride.

Rocky's Gold 2021

For the last several years, a ride-in has occurred in Montrose, CO. and this year was my 2nd time attending. It's called the Rocky's Gold. One of my regular riding buddies, Marcus Walton, and I left the Atlanta area on the 13th of September and ventured out on a planned 3 day journey to get there on the 15th, averaging right at 500 miles days, give or take. I was on my new to me 09 yellow GL1800 pulling my new to me blue 2011 Tailwind trailer, one of only 4 made by Tom Finch that is carbon fiber. The hosts for the ride, Ron & Jeannette Loven live in Montrose and put on a little cookout on Friday, I counted 58 Gold Wings lined up out on the street of their home.

Getting there is nice but more importantly, the scenery that we ride to for those few days is almost indescribable. Ron & Jeannette along with other local Gold Wings break us down in the parking lot of the host hotel, the Black Canyon Inn, and each day we ride to different locations. Hwy 550 is where we find the Million Dollar Highway and let me tell you, that is not the route where you want to find yourself not paying attention. We visited Silverton, Telluride, Little Switzerland and even stopped off for a photo op at the True Grit Bar. All you John Wayne fans would recognize that location. Had an excellent time meeting up with all the folks on the gl1800riders.com website and sharing and listening to all that Gold Wing knowledge. Those are some pretty amazing folks and they came from all over the country just to hang out and ride.

Afterwards, on the 19th, Marcus headed back east as he still in the ranks of the employed and I, as a 2 time retiree, headed west. The Rocky's Gold 2021 was another scenic ride that provided us an opportunity to appreciate the majestic beauty of the wonderful State of Colorado and all the wonderful rides that are on the local roads that a lot of riders very rarely get an opportunity to see. Here's to next year and don't forget, ride like you got some sense.

The Ghost

Georgia Junkies 41

Well, I was the Only one that went to the "GEORGIA JUNKIES 41", on Friday. Missy, Chuck, and some of their friends went on Saturday.

There were a lot of vendors there and you could find about anything you wanted.

Becky and Randy were up on the hill and had a lot of beautiful quilts for sale.

There was some good food at the vendors and I had dinner with Becky and Randy out on the picnic tables.

All in all beautiful weather and a great day,

Thanks Becky and Randy.

Shirley
