Words From Your CD

Shirley Morris, Chapter Director

The last gathering of the year and my last article as Chapter Director. Where has the time gone! I just hope 2021 is a much better year than 2020 has been for all of us and this virus and unrest gets a lot better.

Maybe this coming year we can get together more, have more rides and activities, because we didn't get to have a lot of activities this year.

As most of you know I will be handing the CD position over to Randy and Becky Siniard, I hope everyone will show them as much help and support as you have with me for the past 4 years. I am sure with everybody's help they will do a great job. I will still be in there helping as much as possible. You can't get rid of me that easy. It has been a great journey, at times very trying, but all in all very satisfying and with good friendships and lots of fun, but like most of us, I just keep getting a little older and slowing down. I think we need some younger blood or a pill to make us old folks younger. (Ha Ha). I don't know about the rest of you, but I am going to keep riding as long as I can and stay safe.

Seems like we have had a lot of health problems this year with a lot of people in the Chapter, so let's look forward to next year being a lot better and everyone staying well.

We have our Christmas party coming up. The details will be posted here in the newsletter and on the web site. Please try to attend, as we always have a lot of fun and of course good food. We will try to stay as safe as possible, but still enjoy the party, so come on out and enjoy.

Thanks to all for your support the last 4 years and let's look forward to the next year with our new CD.

Thanks Shirley

B2 Christmas Party Hudson's By The Lake

6800 Hudson Dr.

Douglasville, GA. 30134

Sunday December 6, 2020

Starts 3:00pm Till 7:00pm

Show of hands, who didn't like the ride to Piedmont, Alabama? Just Kidding. 8 of us, 7 bikes rode over there just to see what was there. We rode all the way through town, then almost all the way back, stopped at McDonald's, found out they don't have inside dining so we wound up at the Huddle House, boy they sure acted glad to see us. The ride over there and back, Jim Cater showed us some stuff about his Bike/Trike, evidently Trikes ride a little differently, who knew?

We were going to do a secondary ride to KD Cycle, but that part of our ride got changed. We were almost gone a half day, so maybe we could make that a whole separate trip. If you would like to lead a ride, print out one of those "I Wanna Ride" forms and we will see what we can do.

REVEILLE CAFÉ

With 10 people showing up for our rainy day ride to the Reveille it made it hard to get seated “all together”, especially when Shirley said she was expecting a guest, but the fine folks at the Reveille made it happen!

We all saw some people we may or may not have seen in a while, talked about rides we would to do, and places we have been.

Every Veterans Day The fine folks a Reveille set a place for the POW/MIA which is a nice touch. This one was right by the door.

I've said it before, if you want to go on a ride, fill out the “I Wanna Ride” form, and start from there. The schedule was made kind of open so more members could add on rides. You can get the form from the Newsletter, off the Web site, or ask Shirley or Mac, they can help.

p.s. Shirley's guest did not show up!
