## Words From Your CD

Shirley Morris, Chapter Director

Well we made it to the Ride In and back safe and sound. I rode up with Randy and Becky in their vehicle. It appeared as if a lot of other people came in vehicles, because of the weather, although there were a lot of motorcycles. They were able to get in several rides despite the rain.

Thanks to Susan and Candace for doing the Couple of the Year (COY) basket and Candace for fixing the stew and bringing it up there. Even though we didn't win anything, B2 had 11 people to sign in. Thanks to everyone for participating.

As most of you know by now, our COY is now the District COY, there was supposed to be 3 couples to enter the competition, but the other 2 dropped out. Carol and Woody still had to get up on stage and go through the process. They are going on for National COY. Let's wish them lots of luck.

I will be putting out the details about our XMAS party soon so watch for it. Please make your plans to attend we always have a good time.

See you at the GATHERING.

Shirley

We met at the Kroger in Dallas, Ga for the ride to Barber Motor Sports and a good ride over there. When we got there we had "Motorcycle Only Parking" right up front, it was great! The Museum had expanded since I had been there last. Some of the things we saw were the First Motorcycle made, the Easy Rider Chopper, all the early Goldwings, and a whole lot more. We all agreed we needed more time to see everything, but that it would be a great ride to go back to. There was a vending area with some machines, but it would be better to take a picnic lunch and plan time for staying longer than the approximately 3 hours we did. Great ride, great time!

I found the riding group at the Kroger at Highway 278 and Highway 61 for the ride to the Burger Bus in Ballground, Ga. I don't know when ya'll were at the Burger Bus last, but they have a hamburger called the "1386 Hamburger" that is out of this world. Now as it has always been known, the "Onion Rings" at the Burger Bus are "World Famous"! I have eaten Onion Rings all over the world and have never had any Onion Rings better than the ones we had here, they do a great job.

The bus is a 1948 trolley from Atlanta, Ga., relocated to Ballground for a restaurant. Hours are 11:00 am to 7:00 pm-ish. According to the people that work there, if you want to eat in the bus, be there at 11:00 am or be there at 2:00 pm. Come any other time and you may wait awhile. Our ride leaves at 9:00 am and we get there at 10:45 am (with one stop for all old riders because the Burger Bus is not open until 11:00 am). This puts us eating in the bus. We have always had a good ride and a great lunch. Come do it some time.

***This is what we, who are aged 70 or 80 years plus, can look forward to.***

This is something that happened at an assisted living center. The people who lived there had small apartments but they all ate at a central cafeteria. One morning one of the residents didn't show up for breakfast so my wife went upstairs and knocked on his door to see if everything was OK. She could hear him through the door and he said that he was running late and would be down shortly, so she went back to the dining area.

An hour later he still hadn't arrived, so she went back up towards his room but found him on the stairs. He was coming down the stairs but was having a hard time. He had a death grip on the hand rail and seemed to have trouble getting his legs to work right. She told him she was going to call an ambulance but he told her no, he wasn't in any pain and just wanted to have his breakfast. So, she helped him the rest of the way down the stairs and he had his breakfast. When he tried to return to his room, he was completely unable to get up even the first stair step, so they called an ambulance for him.

A couple of hours later she called the hospital to see how he was doing. The receptionist there said he was fine, he just had both of his legs in one side of his boxer shorts.

I'm sending this to my children so that they don't sell the house before they know all the facts.
